14. Rank and voting method:

14.1. After the admission to the evaluation phase, the jury starts evaluating the applications, taking into account the criteria, evaluation parameters and weighting factors for evaluating the candidates, defined by the jury, for the purpose of preparing a list of the candidates approved in absolute merit.

14.2. The jury deliberates on approval on absolute merit, based on the merit of the applicants' global curriculum in the subject area of the competition.

14.3. In order to obtain approval in absolute merit, each applicant must obtain the favourable vote of the majority of the members of the jury.

14.4. The decision of non-approval on absolute merit and consequently exclusion is taken by an absolute majority (half plus one of the votes of the members present at the meeting) and each member of the jury must present a document with the reasons for their vote.

14.5. In the event of non-approval on absolute merit, the jury proceeds to the prior hearing of the excluded applicants, who, if they wish, can speak within ten working days, applying what is referred to in points 3 to 7 of article 29th of Rules for the hiring of teaching staff at the Polytechnic Institute of Cávado and Ave.

14.6. The jury proceeds to prepare a list of candidates that has been forwarded in absolute merit, ordered alphabetically.

14.7. The jury proceeds to evaluate the candidates greets in absolute merit, considering the evaluation criteria and parameters, as well as the weighting factors, included in the evaluation grid and in this public notice.

15. Ordering and voting methodology:

15.1. The ranking of applicants must be based on the evaluation made based on the evaluation criteria and parameters and corresponding weighting factors contained in this notice.

15.2. Before voting begins, each member of the jury presents a written document, which will be attached to the minutes, with the classification from 0 to 100 ordering the applicants, duly substantiated, considering the purpose referred to in the preceding paragraph.

15.3. In the various votes, each member of the jury must respect the order he/she presented, with no abstentions allowed.

15.4. The jury will use the following voting methodology to form an absolute majority in the final ranking of candidates:

15.4.1. The first vote is intended to determine the candidate to place first. In the event that a candidate obtains more than half the votes of the members of the jury present at the meeting, he/she is immediately placed first. If this does not happen, the vote is repeated, only among the candidates who obtained votes for the first place, after removing the least voted candidate in the first vote. If there is a tie between two, or more, candidates in the least voted position, a vote is taken on them to break the tie, and if the tie still persists, the President of the jury decides which candidate to withdraw. The process will be repeated until a candidate obtains an absolute majority to be placed first. Once this candidate is removed, the same process is repeated to obtain the candidate ranked second, and so on until an ordered list of all admitted candidates is obtained.

15.4.2. Without prejudice to the provisions of the previous number, whenever there is a tie, the vote is repeated and if the tie still persists, the President of the Jury has the quality vote and decides the direction of deliberation.

16. Applicants participation and decision:

16.1. The final ordering project is notified to the applicants, for the purpose of holding the hearing of interested parties, under the terms of articles 121th and following of the Administrative Code Procedure, applying, with due adaptations, the provisions of article 29.º of the Rules for the Recruitment of Teaching Staff at the Polytechnic Institute of Cávado and Ave.

16.2. After the hearing of interested parties, the jury substantially appraises the allegations offered and approves the candidates' final ranking list.

17. Final decision deadline:

17.1. The final decision of the jury must not exceed sixty working days from the indicated closing date for the submission of applications.

17.2. The period aforementioned may be extended due to the high number of candidates or the complexity of the competition.

17.3. The final ranking list of the candidates shall be submitted for approval by the President of IPCA and the candidates shall be notified of the respective order of approval.

18. Employment contract:

18.1. The President of the Polytechnic Institute of Cávado and Ave may decide not to conclude the contract, if there is a reduction in allocation of the state budget that doesn't allow available funding or if the requirements foreseen in article 46th of State Budget Law, approved by Law No. 75-B/2021, 31st December, applicable in 2022 until the approval of the State Budget for 2022.

18.2. It will be used as a reference the article 37 and article 42 of the Tender Rules for the Recruitment of Career Teaching Staff of the Polytechnic Institute of Cávado and Ave.
