### Work plan:

- The HfFP - Health From Portugal Project aims to develop new technological solutions for use in the health sector. The fellows will be integrated into the HfPT - Health from Portugal - PPS3 - Treatment of Lymphoedema project, and will be part of the team responsible for developing an orthopaedic device for the treatment of lymphoedema. Their work will focus on contributing to the development of a mobile application to support the device, for data consultation by users, and will carry out this work in collaboration with researchers from IPCA and the other members of activity A3.2.2 of the HfPT Project.

### Legislation:

- Research Fellowship Statute – Decree-Law No. 89/2013, which was later amended by Decree-Law No. 123/2019, of 28 August. Current scholarship holder statute:  
<https://diariodarepublica.pt/dr/legislacao-consolidada/lei/2004-58216179>.
- Regulation of Research Grants of the Polytechnic Institute of Cávado and Ave, Regulation approved by the Order n.º 12952/2023 (Diário da República n.º 242/2023, Série II de 2023-12-18).

### Workplace:

- The work will be developed at 2Ai of the Polytechnic Institute of Cávado and Ave – Barcelos, under the scientific guidance of Professor Ricardo Simões.

### Duration of scholarships:

-The grant will have a duration of six (6) months, starting in november 2024, possibly renewable for the same period, if the candidate meets the conditions, up to the maximum time limit in which funding for the project is guaranteed and/or while the project execution period is running, if the contract it is not denounced, in writing, with 60 days prior notice by either part.

#### Monthly maintenance allowance amount:

-Scholarship holders are awarded a monthly subsidy of €601.12, in accordance with the table of values for FCT scholarships ([https://www.fct.pt/wp-content/uploads/2024/02/Tabela-de-Valores-SMM\\_atualizacao-2024.pdf](https://www.fct.pt/wp-content/uploads/2024/02/Tabela-de-Valores-SMM_atualizacao-2024.pdf)), and according to the table in Annex IV of the Regulation of Research Grants of the Polytechnic Institute of Cavado and Ave, updated in accordance with paragraph 8 of Article 26 of the IPCA Regulation. This amount will be paid monthly by bank transfer.

#### Other benefits:

- Reimbursement of Voluntary Social Insurance, corresponding to the 1st step of the contributory base, and Personal Accident Insurance.

#### Applications evaluation:

Applications will be evaluated considering the selection criteria listed below. In case the selected scholarship holder withdraws, the second candidate from the ordered list of candidates will be automatically selected, and so on, until the candidates presented are exhausted.

### Selection methods:

- The selection methods to be used will be as follows: **Curricular assessment** with a weighting of 100 %.

The **Curricular Assessment (CA)** is based on the following criteria:

- Current course average weighted by one of the following factors (20%)

- Students who have passed all curricular units in the 1st and 2nd years of the degree or students who have already obtained a bachelor's or master's degree (Weighting Factor: 1)
- Students who have passed all curricular units in the 1st year of their degree (Weighting Factor: 0.75)
- Students who have completed a Higher Technical course in the field of the competition (Weighting Factor: 0.5)
- Other situations (Weighting factor: 0.25)

- Relevant scientific and/or professional research experience in the scientific area of the competition (particularly in mobile applications): 30 %.

- Previous experience developing mobile applications: 30 %.

- Other curricular elements relevant to the scientific area of the competition, including the development of previous projects: 20 %.

**Selection Jury:** The Jury is composed of:

**President:**

- Professor Maria João Lopes Guerreiro Félix, Associate Professor at the School of Design of the Polytechnic Institute of Cávado and Ave.

**Effective Members:**

- Professor Doctor Nuno Duarte Martins, Coordinator Professor at the School of Design of the Polytechnic Institute of Cávado and Ave.
- Professor Doctor João Ferreira Simões, Coordinator Professor at the School of Design of the Polytechnic Institute of Cávado and Ave.

**Alternate Members:**

- José Henrique de Araújo Silveira de Brito, Coordinator Professor of the Higher School of Technology of the Polytechnic Institute of Cávado e Ave
- João Luis Araújo Martins Vilaça, Coordinator Professor of the Higher School of Technology of the Polytechnic Institute of Cávado e Ave and Coordinator of 2AI

**Stakeholder participation and decision:**

Candidates will be notified of the assessment results project by email with delivery receipt of the notification, so that they can comment for the purpose of holding a hearing of interested parties, pursuant to article 121 et seq. of the Code of Administrative Procedure, to the email [candidatura\\_2ai\\_est@ipca.pt](mailto:candidatura_2ai_est@ipca.pt). In the absence of a response from the candidates, the project becomes definitive.

**Decision:**

Once the prior hearing period has elapsed, or the issues raised within this scope have been considered, the jury draws up the final ranking list of the admitted candidates, submitting it, together with the remaining parts of the procedure, for approval by the IPCA President.

**Form of advertising/notification of results:**

The results of the evaluation will be publicized, through a list sorted by the final grade obtained, and the candidates will be notified by email, with delivery receipt of the notification, pursuant to article 16, paragraph 1, of the Research Grants Regulation of the Polytechnic Institute of Cávado and Ave.

**Application deadline and form of submission of applications:**

- The contest is open for a period of 10 working days after publication on <https://euraxess.ec.europa.eu/>.
  
- Applications must be sent exclusively by email to the address [candidatura\\_2ai\\_est@ipca.pt](mailto:candidatura_2ai_est@ipca.pt)
  
- In the subject of the e-mail it is mandatory to put the reference of the to which you are applying. If the reference of the scholarship is not indicated in the subject of the e-mail, the candidate will be automatically excluded from the procedure.
  
- Applications must be formalized, obligatorily through a presentation, accompanied by the following documents:
  - Proof of enrolment and registration on a higher vocational technical course, bachelor's degree, master's degree or integrated master's degree at a higher education institution;
  - Document showing the marks obtained in the curricular units taken in the course in which you are enrolled;
  - Curriculum Vitae;
  - Certificate of Qualifications
  - Other documents considered relevant to the application.
  
- Curriculum Vitae and Certificates of Qualifications must be presented, the non-delivery of which determines the exclusion.
- Proof of enrolment and registration on a higher vocational technical course, bachelor's degree, master's degree or integrated master's degree at a higher education institution, must be presented until the scholarship is contracted. The candidate must attach a declaration of commitment of honor, under pain of exclusion, to confirm that they meet the requirements for enrolment courses.
- If the candidate is not a Portuguese citizen, he/she must provide documentary evidence, at the time of signing the grant contract, that he/she holds an authorization to legally remain in Portuguese territory and that entitles him/her to enter into the contract arising from the grant award.
- If the qualification requested has been conferred by a foreign university, it must comply with the provisions of Decree-Law no. 66/2018, of 16th August, and any formalities established therein must be fulfilled until the date of the signature of the grant contract. Registration of the recognition of academic degrees awarded by foreign higher education institutions and registration of the conversion of the respective final classification to the Portuguese classification scale may be waived at the application stage and replaced by a declaration of honour by the candidate, to be presented at the time of application, with verification of this condition only occurring at the stage of contracting the scholarship. If the candidate does not present the conversion of the classification to the Portuguese classification scale, the jury will establish the conversion, only for the purposes of the competition, based on the rules of the legal regime applicable to the recognition of foreign degrees and diplomas or, when impossible, will apply the minimum classification of 10 points.
