Reimbursement of Voluntary Social Insurance, corresponding to the 1st Scale of the contributory base and Personal Accident Insurance.

Applications evaluation:

Applications will be evaluated taking into account the selection criteria listed below. In case the selected scholarship holder withdraws, the second candidate from the ordered list of candidates will be automatically selected, and so on, until the candidates presented are exhausted.

Selection method:

The selection method to be used will be the following: Curricular evaluation, with a value of 100%.

The Curriculum Assessment (AC) is based on the following criteria:

- Classification obtained in the bachelor degrees (or integrated masters): 50%;
- Scientific and/or professional experience relevant to the project: 30 %.
- Other curricular elements relevant to the project, including previous experience in development of projects: 20%

The final ranking of the candidates, based on the application of the selection methods, will be expressed from zero to twenty points and candidates who have obtained less than 9.50 points in their final classification will be excluded from the procedure.

Selection Jury: The Jury is composed of:

President:

- Ricardo João Ferreira Simões, responsible for the project and Coordinator Professor of the School of Design of the Polytechnic Institute of Cávado e Ave

Effective Members:

- Daniel António da Silva Miranda, Adjunct Professor of the School of Technology of the Polytechnic Institute of Cávado e Ave
- José Henrique de Araújo Silveira de Brito, Coordinator Professor of the School of Technology of the Polytechnic Institute of Cávado e Ave

Substitute members:

- João Luis Araújo Martins Vilaça, Coordinator Professor of the School of Technology of the Polytechnic Institute of Cávado e Ave
- Nuno Alberto Ferreira Lopes, Coordinator Professor of the School of Technology of the Polytechnic Institute of Cávado e Ave

Stakeholder participation and decision:

- Candidates will be notified of the assessment results project by email with delivery receipt of the notification, so that they can comment for the purpose of holding a hearing of interested parties, pursuant to article 121 et seq. of the Code of Administrative Procedure, to the email candidatura_2ai_est@ipca.pt. In the absence of a response from the candidates, the project becomes definitive.

Decision:

-Once the prior hearing period has elapsed, or the issues raised within this scope have been considered, the jury draws up the final ranking list of the admitted candidates, submitting it, together with the remaining parts of the procedure, for approval by the IPCA President.

Form of advertising/notification of results:

-The results of the evaluation will be publicized, through a list sorted by the final grade obtained, and the candidates will be notified by email, with delivery receipt of the notification, pursuant to article 16, paragraph 1, of the Research Grants Regulation of the Polytechnic Institute of Cávado and Ave.

Application deadline and form of submission of applications:

- The contest is open for a period of 10 working days after publication on <https://euraxess.ec.europa.eu/>.

- Applications must be sent exclusively by email to the address: candidatura_2ai_est@ipca.pt. In the subject of the e-mail it is mandatory to put the reference of the scholarship to which you are applying. If the reference of the scholarship is not indicated in the subject of the e-mail, DRIVOLUTION-IPCA-2AI-BI-11, the candidate will be automatically excluded from the procedure.

- Applications must be formalized, obligatorily through a presentation, accompanied by the following documents:

- Curriculum Vitae;
- Proof of enrolment in a master's, integrated master's, doctoral or non-academic degree courses integrated in the educational project of a higher education institution;

- Certificate(s) of qualifications and master and other documents considered relevant for consideration (optionally letters of reference).
- Curriculum Vitae and Certificates of Qualifications must be presented, the non-delivery of which determines the exclusion.
- Proof of enrollment in a master's, doctorate or non-degree courses must be presented until the scholarship is contracted. The candidate must attach a declaration of commitment of honor, under risk of exclusion, to confirm that they meet the requirements for enrolment in an integrated master's degree, master's or doctoral program.
- If the candidate is not a Portuguese citizen, he/she must provide documentary evidence, at the time of signing the grant contract, that he/she holds an authorization to legally remain in Portuguese territory and that entitles him/her to enter into the contract arising from the grant award.
- If the qualification requested has been conferred by a foreign university, it must comply with the provisions of Decree-Law no. 66/2018, of 16th August, and any formalities established herein must be fulfilled until the date of the signature of the grant contract. Registration of the recognition of academic degrees awarded by foreign higher education institutions and registration of the conversion of the respective final classification to the Portuguese classification scale may be waived at the application stage and replaced by a **declaration of honor by the candidate**, to be presented at the time of application, with verification of this condition only occurring at the stage of contracting the scholarship. If the candidate does not present the conversion of the classification to the Portuguese classification scale, the jury will establish the conversion, only for the purposes of the competition, based on the rules of the legal regime applicable to the recognition of foreign degrees and diplomas or, when impossible, will apply the minimum classification of 10 points.

Complaint:

- Complaints from the final ordering list, duly ratified, may be made to the IPCA president, to be submitted within 15 working days from the notification, to the email candidatura_2ai_est@ipca.pt, which does not have a suspensive effect.

Non-discrimination and equal access policy:

IPCA and FCT promote a policy of non-discrimination and equal access, whereby no candidate can be privileged, benefited, harmed or deprived of any right or exempt from any duty due to, namely, ancestry, age, sex, sexual orientation, marital status, family situation, economic situation, education, origin or social status, heritage genetics, reduced work capacity, disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological convictions and trade union affiliation.
